2024

Penelitian ini bertujuan untuk mengetahui bagaimana gambaran lingkungan sekolah siswa di sekolah dasar kelas V SD Swasta Trinity Berastagi T.P 2023/2024, mengetahui bagaimana gambaran pembentukan karakter siswa di sekolah dasar kelas V SD Swasta Trinity Berastagi T.P 2023/2024 dan untuk mengetahui apakah ada pengaruh lingkungan sekolah terhadap pembentukan karakter siswa di sekolah dasar kelas V SD Swasta Trinity Berastagi T.P 2023/2024. Instrumen atau alat pengumpul data adalah non tes, dalam penelitian ini berbentuk angket. “Kuesioner (angket) adalah sejumlah pertanyaan atau pernyataan tertulis yang digunakan untuk memperoleh informasi dari responden dalam arti laporan tentang pribadinya, atau hal-hal lain yang mereka ketahui. Angket ini digunakan untuk menggali data variabel X (lingkungan keluarga) dan variabel Y (karakter anak)”.

Hasil penelitian adalah sebagai berikut : 1) Gambaran lingkungan sekolah di kelas V SD Swasta Trinity Berastagi T.P 2023/2024, dengan rata-rata sebesar 84 berdasarkan hasil perhitungan angket siswa maka dikategorikan penilaiannya termasuk kedalam kategori baik. 2) Gambaran pembentukan karakter siswa di kelas V SD Swasta Trinity Berastagi T.P 2023/2024, dengan rata-rata sebesar 87 berdasarkan hasil perhitungan angket siswa maka dikategorikan penilaiannya termasuk kedalam kategori baik. 3) Berdasarkan hasil hipotesis didapatkan nilai $t_{hitung} >$ dari t_{tabel} ($3.831 > 2.073$) yang menunjukkan menunjukkan bahwa nilai signifikansi pengaruh lingkungan sekolah (X) terhadap pembentukan karakter siswa (Y) adalah $0.618 >$ dari pada $0,05$ dan nilai t_{hitung} $3.831 >$ pada 2.073 maka H_0 ditolak dan H_a diterima. Artinya terdapat pengaruh lingkungan sekolah terhadap pembentukan karakter siswa secara signifikan di SD Swasta Trinity Berastagi T.P 2023/2024

Kata Kunci : Lingkungan Sekolah, Pembentukan Karakter

ABSTRACT

THE INFLUENCE OF SCHOOL ENVIRONMENT ON THE FORMATION OF STUDENTS' CHARACTER IN CLASS V ELEMENTARY SCHOOL PRIVATE ELEMENTARY SCHOOL TRINITY BERASTAGI 2023/2024 ACADEMIC YEAR

This study aims to determine the description of the school environment of students in grade V elementary school, Trinity Berastagi Private Elementary School in the 2023/2024 ACADEMIC YEAR, to determine the description of the formation of students' character in grade V elementary school, Trinity Berastagi Private Elementary School in the 2023/2024 ACADEMIC YEAR and to determine whether there is an influence of the school environment on the formation of students' character in grade V elementary school, Trinity Berastagi Private Elementary School in the 2023/2024 ACADEMIC YEAR. The instrument or data collection tool is non-test, in this study in the form of a questionnaire. "A questionnaire is a number of written questions or statements used to obtain information from respondents in the sense of reports about their personality, or other things they know. This questionnaire is used to explore data on variable X (family environment) and variable Y (child character)".

The results of the study are as follows: 1) Description of the school environment in class V of Trinity Berastagi Private Elementary School in the 2023/2024 academic year, with an average of 84 based on the results of the student questionnaire calculation, the assessment is categorized as being in the good category. 2) Description of the formation of student character in class V of Trinity Berastagi Private Elementary School in the 2023/2024 academic year, with an average of 87 based on the results of the student questionnaire calculation, the assessment is categorized as being in the good category. 3) Based on the results of the hypothesis, the t-count value is obtained $>$ from the t-table ($3.831 > 2.073$) which shows that the significance value of the influence of the school environment (X) on the formation of student character (Y) is $0.618 >$ than 0.05 and the t-count value is $3.831 >$ at 2.073 then H_0 is rejected and H_a is accepted. This means that there is a significant influence of the school environment on the formation of student character at Trinity Berastagi Private Elementary School in the 2023/2024 Academic Year

Keywords: School Environment, Character Formation
